

A Young Professional Regional Event

Dear Chamber Member,

Sail, Young Professionals of Manitowoc County is pleased to be hosting Leaderfest, the sixth annual young professional regional event on April 24, 2012, at Fox Hills Resort and Conference Center. Sail, Young Professionals of Manitowoc County is catering exclusively to the active lifestyle of today's young professionals. By providing professional, networking, and social opportunities for young professionals, Sail is creating a more vibrant and connected community. Additionally, we provide programming that helps engage young professionals and develop them into the next generation of community leaders.

Building on the success of the past five Leaderfest events; Oshkosh, Fond du Lac, Green Bay, Sheboygan and Appleton, this event has been designed to integrate educational workshops relevant to the issues facing today's young professionals. The event gives participants the opportunity to learn and network with other young professionals from throughout Northeastern Wisconsin including young professional networks from Green Bay, Appleton, Oshkosh, Fond du Lac, Sheboygan, Manitowoc, Kewaunee and Marinette.

To ensure the success of Leaderfest, Sail invites you to become a sponsor of this unique event. Enclosed you will find materials outlining sponsorship opportunities and benefits. Leaderfest sponsors gain marketable exposure to young professionals and provide networking opportunities to their employees through our Sail organization.

A representative from Sail will contact you shortly to discuss specifics of how your contribution will be used and answer any questions you may have about the event. If you have questions before then, please feel free to contact us. We look forward to speaking with you regarding this opportunity for Americollect to partner with Leaderfest and Sail!

Sincerely,

Jenner Reinke
Chair of Leaderfest

Karen Szyman
Executive Director, The Chamber of Manitowoc County
